THE

TAPLEY "TWIN"

HEEL BURNISHER

IS ACKNOWLEDGED TO BE THE

BEST LABOR-SAVING MACHINE IN THE MARKET.

One Operator with the "Twin" can do the work of Two Operators with Single Machines.

The two Jacks of this Machine are moved by an automatic mechanism, and are so close together that the operator can jack a shoe under one burnisher while the other is being burnished.

The "Twin" is much easier for the operator than the single machine, runs more steadily, occupies no more room, and is driven by a single pulley, all of which advantages add materially to the value of the machine.

Manufacturers who are using more than one Single Tapley should exchange at once for the Twin. The cost of burnishing is so reduced that some factories where waxed heels hitherto obtained are now finishing their entire product on the Twin at a saving of 10 per cent. The testimonials of a few of those who are using the machines are respectfully submitted.

TESTIMONIALS.

HAVERHILL, MASS., [illegible]

TAPLEY MACHINE CO., Boston, Mass.

Dear Sirs:—I have been using one of your Twin Burnishing Machines and find it very superior. One man can do double the work that can be done on a single machine. Twenty-eight pair cases per day have been done on the machine.

Yours Truly, J. H. [illegible]

HUDSON, MASS., [illegible]

THE TAPLEY MACHINE CO., Boston, Mass.

Dear Sirs:—We have been using your Twin Burnishers since last May. The work in our factory was gradually taken from the Chamberlain machine and put on the Twins. To our surprise and gratification we have found that we have made a large saving in favor of your machines over the Chamberlain work, not to mention the superiority and greater selling value of the burnished over the waxed heel. We could not afford to go back to the Chamberlain on any account.

Yours Truly, GEORGE HOUGHTON.

DARVEIS CENTRE, MASS., [illegible]

TAPLEY MACHINE CO., Boston, Mass.

Gentlemen:—We have used the Tapley Twin Burnisher for some months with great satisfaction, both for economy in labor and excellence in results. It also has enabled manufacturers to have their are left with but one burnishing.

Yours Very Truly, [illegible]

CINCINNATI, [illegible]

THE TAPLEY MACHINE CO., Boston, Mass.

Dear Sirs:—We have the Twin Burnisher we purchased of you in operation in our factory and we take pleasure in saying that it does most excellent work. All that you claim for it.

Truly Yours, SULLIVAN, WEADE, & [illegible]

HAVERHILL, MASS., [illegible]

THE TAPLEY MACHINE CO., Boston, Mass.

Gentlemen:—We are using four of your Twin Tapley Machines, and it gives us pleasure to state that they are all you recommended them to be. We have no doubt of the ability of our operators to perform double the amount of work with these than with the single machines in the same time. By reference to our books we see that operators average about eighteen cases per day, and they have considerably exceeded this average on single day's work.

Very Truly Yours, GALE [illegible]

HAVERHILL, MASS., [illegible]

THE TAPLEY MACHINE CO., Boston, Mass.

Gentlemen:—It gives us great pleasure to say after three months' use of [illegible] Twin Machines, that we are perfectly satisfied with them. They certainly do better work at a less cost and are easier to run than the single machines. We could not afford to "trade back" on Twins the amount we paid you in exchange.

Yours Very Respectfully, GARDNER [illegible]

HAVERHILL, MASS., [illegible]

TAPLEY MACHINE CO., Boston, Mass.

Gentlemen:—I have used your Twin Burnisher for the last five months, and am highly pleased with it. The machine will turn out twice as many heels as the single Tapley, and the quality of the work is superior. I consider it the best shoe machine in the market today.

Yours Truly, JOHN [illegible]

HAVERHILL, MASS., [illegible]

TAPLEY MACHINE CO., Boston, Mass.

Gentlemen:—We are very much pleased with your Twin Tapley. We find it better than any other machine in the factory.

Yours Truly, [illegible]

MILWAUKEE, WIS., [illegible]

TAPLEY MACHINE CO., Boston, Mass.

Dear Sirs:—Allow us to express to you our delight with your Twin Burnisher. They work to be far beyond our greatest expectations in economy of labor and quality of work.

Very Truly, [illegible]

TAUNTON, MASS., [illegible]

TAPLEY MACHINE CO., Boston, Mass.

Gentlemen:—We cannot commend your Twin too highly, and are pleased to state it is [illegible]. We are now running three of them, and if we could get one place another of [illegible] we should order the Twin at the price charged us.

—BY—

CHAS. W. PALFRAY and EBEN N. WALTON.

Terms of Subscription, $3.50 a year in advance, otherwise, $4.

REGISTER MOTTO, FURNISHED BY JUDGE JOSEPH STORY, in 1802.

Here shall the PRESS the PEOPLE'S RIGHTS maintain,
Unawed by INFLUENCE, and unbribed by GAIN;
Here PATRIOT TRUTH its glorious precepts draw,
Pledged to RELIGION, LIBERTY, and LAW.

For more than *eighty years* the REGISTER has been a reputable Family Paper in Essex County, and its large circulation in Salem and the neighboring towns, makes it a desirable medium for local advertisements and for parties desirous of securing customers in this vicinity.

TERMS OF ADVERTISING:

Advertisements of more than half a square, and not exceeding a square, $1.50 for three insertions, once a week, or in three papers in succession, at the option of the advertiser; 16⅔ cents for every additional insertion.

Advertisements not exceeding half a square, $1.00 for three insertions as above; 12½ cents for every additional insertion.

Probate Notices of every kind, not exceeding a square, $1.50 for three insertions; exceeding a square, at ruling rates.

Sixteen lines of Nonpareil type are equal to a square.

When advertisements are ordered to be continued on the INSIDE, fifteen per cent. extra must be paid for one insertion.

Ten cents a line must be paid for notices of meetings for political, civic, and religious purposes, notices of societies, cards of acknowledgment from individuals, companies, etc., for one insertion, and 6¼ cents for each subsequent. Business notes, 15 cents per line for first insertion; ten cents a line for the second, and six and a quarter cents a line for each subsequent insertion. Funeral notices twenty-five cents. Obituary notices or poetry, ten cents per line.

The privilege of Annual Advertisers is limited to their own immediate business; and all advertisements for the benefit of other persons, as well as all legal advertisements, and advertisements of real estate, or auction sales, sent in by them, must be paid for at the usual rates.

☞ All advertisements intended for this paper must be marked on the margin of the copy the number of insertions desired; otherwise they will be published till ordered out, and charged accordingly.

*** No paper will be discontinued till all arrearages are paid, except at the option of the publishers; and any person wishing his paper discontinued must give notice thereof *at the expiration of the term, at the office, whether previous notice has been given or not.*

For the Six Months ending June 30, 1883, the average circulation of the NEWS was

OVER 42,000 COPIES WEEKLY

ROBIN DAMON, SOLE PUBLISHER.

THE SALEM GAZETTE

AND

Essex County Mercury.

THE SALEM GAZETTE,

[ESTABLISHED 1768]

IS PUBLISHED ON TUESDAY AND FRIDAY MORNINGS,

FOR $3.50 PER ANNUM, PAID IN ADVANCE,

Or $4.00 if paid Semi-Annually NOT in Advance.

It will be found to present a faithful transcript of the Local and County news, good general reading for the entertainment of the family, original correspondence from distant points, editorials upon passing topics, and a good statement of the current news of the day, domestic and foreign.

THE ESSEX COUNTY MERCURY

Is made up from the reading matter of the Salem Gazette, and published as a weekly edition of the Gazette, for **$2.00 per annum in advance, or $2.50 otherwise.** It circulates both in Salem and in the country towns of Essex County (for the most part in the country), and is regularly and extensively read and known throughout the county. Being made up from the same reading matter, the Mercury partakes of the same general characteristics of the Salem Gazette.

TO ADVERTISERS:

The SALEM GAZETTE is circulated mainly in Salem; the ESSEX COUNTY MERCURY principally out of Salem, in the County of Essex. Every new advertisement in the Gazette has an insertion also in the Mercury, without additional charge. There is not a city or town in Essex County, where the Gazette or Mercury is not taken. In Beverly, Marblehead, Peabody, Danvers, Middleton, Lynnfield, Wenham, Hamilton, Ipswich, Rowley, Topsfield, Georgetown, Boxford, Essex, Manchester, and even in several of the towns more remote from Salem, the circulation is large. Every new advertisement is placed before about 3,500 subscribers. There is scarcely a month through the year when the circulation is not at times in excess of this. As both the Gazette and Mercury are largely sent into distinct families, and are largely *exchanged* with other families in country neighborhoods, we presume it is a fair estimate to say that these papers have full *twenty thousand distinct readers* every week.
